

TOWN OF CORYDON
ORDINANCE 2024 – 3

**AN ORDINANCE ALLOWING FOR THE TOWING OF VEHICLES
PARKING IN ELECTRIC CHARGING STATION SPACES**

WHEREAS, the Town of Corydon owns property that serves as parking lots and spaces throughout the Town of Corydon; and

WHEREAS the Town of Corydon has installed electric vehicle charging station at designated parking spots on lots that the Town owns and operates; and

WHEREAS, the Town of Corydon believes it is in the best interest of public that these spots be designated only for electric charging of vehicles; and

WHEREAS, the Town of Corydon believes that the ability to tow at the violator's expense any vehicle or anything else that parks in an electrical vehicle parking spot that is not using the electrical charging station or to otherwise block access to the electric vehicle charging stations to be in the best interest of efficient use of the charging station parking spots;

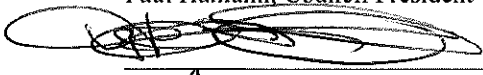

NOW, THEREFORE BE IT ORDAINED by the Town Council of the Town of Corydon that the Town of Corydon may tow at the violator's expense any vehicle or anything else to be determined by law enforcement to be parked improperly or to otherwise block access at an electric vehicle charging station on property owned by the Town.

SO ORDERED this 16th day of January 2024.

TOWN OF CORYDON TOWN COUNCIL
